ABOUT ME

I'm an ongoing beginner web designer looking to better my skills as a web designer and a programmer. I have many different skills in each field. I am hard work if you need me to be I can pretty much do anything that you need when it comes to web design and as a graphic designer to.

EXPERIENCE

I don't have any work experience when it comes to the field that I am trying to get into. I have never had a real job in my life.

EDUCATION

TRITON HIGH SCHOOL, MAY 2017

Got my high school diploma in May 2017 and have been at college trying to get my web design degree.
